**Agreements:** Each point must be initialed by enrolling parent/guardian.

This form MUST be submitted with the 2025-26 Enrollment Form for care to be scheduled.

I understand I am enrolling my child for summer Camp West 2025. Contact information, etc. will be taken off the 2025-26 Enrollment Form (2 pages).

Tuition rates for summer Camp West 2025 are the same as the 2025-26 school year. Rates are posted/shared on brightwheel.

Registration fees are 50% of the school year fees, and non-refundable.

I understand that Early Care & After Care are enrolled separately from daily preschool classes with separate tuition– and neither is a drop off service. Space in BOTH is limited.  
 \*If a scheduling conflict arises, children enrolled in BOTH preschool and AC will be placed first for consistency of care.
