

# Photo Permission Form

Child's Name: \_\_\_\_\_

Children love seeing photos of themselves and their friends. So, we take photos to record activities, use in projects, and display around the school. We also use photos of the children for our Facebook page and through brightwheel activity messaging to show school activities, events, and milestones. In these instances, only people who are connected to the school can see them. We also have our own WLT website and we would like to incorporate pictures of the children on the site- real WLT kids! Websites are out there for all to see, so permission is necessary. We do use pictures only, and NOT NAMES. Please read the following choices and initial the one best for you and your child. Please do not hesitate to ask if you have any questions.

\_\_\_\_\_ I DO give permission for photos of my child to be taken for use on the parent Facebook page (access by request and granted by school staff only) or other social media, messaged through brightwheel, the school website, and advertising. I understand my child's name will not be used.

\_\_\_\_\_ I DO NOT give permission for photos of my child to be taken for use on the parent Facebook page (access by request and granted by school staff only) or other social media, messaged through brightwheel, the school website, and advertising.

By signing, I agree that I am the parent (or legal guardian) of the child named on this form. I also understand that my child's photo can/will be taken for classroom purposes only, and that this form specifically applies to uses outside of the preschool.

I also agree that this permission is granted as long as my child is an enrolled student, or until revoked by me in writing.
