2020-2021 Tuition Payment Policy

Tuition and fees are due and payable on the first day of each month prior to care. Payments should be placed in the locked tuition box on the wall outside the WLT office. A reminder of tuition being due on the first of each month will be posted in the lobby and on the monthly menu calendars. Receipts and account statements are available by request. (In other words, printed statements will not automatically be sent home on the first of each month.)

Any accounts with balances due as of the 10th of the month will then receive a printed reminder statement. Any account not paid in full by the 28th of each month will receive notice requiring a payment plan be submitted to the Director. This plan will then be subject to approval by the WLT Oversight Committee, *as will the child's eligibility to remain in care*. If a payment plan is not submitted, the child will not be eligible to return to class.

Additionally, August and May, and the first month of attendance for newly enrolled children, are the only prorated months of care. There will not be any adjustments made to any additional month's tuitions, including June and July for summer camp. Further, siblings will also not be eligible to begin care if a balance remains.

We thank you very much for your cooperation with these policies. This will help ensure our center is running smoothly as we strive to provide the very best in care and learning experiences for your children.
