Child's Name: _____ DOB: _____

If at any time, due to such circumstances as an unforeseen emergency or injury/sudden illness, medical treatment is necessary, I authorize WESTMINSTER LEARNING TREE (WLT) to take whatever emergency measure they deem necessary for the protection of my child while in their care.

I understand that this may include contacting a doctor, interpreting and carrying out instructions, and may also include transporting my child to the hospital or doctor's office, perhaps by ambulance.

I understand that the doctor and hospital contacted in the event of an emergency was listed by me on my child's enrollment form. I am understand and am in agreement that it is my responsibility to keep all contact information, phone numbers, doctor/hospital changes, etc... updated with the center director.

I also understand that a natural or deliberate disaster or emergency may result in the need for my child to be transported to another location for safety, and that (WLT) WESTMINSTER LEARNING TREE has an emergency plan that includes 3 off-site locations for such purpose (within walking distance). I have been provided a copy of the names and addresses of those 3 off-site locations. (Keep this list for your records!)

I further understand that this may be done PRIOR to contacting me, and that any expense incurred, including ambulance, is my responsibility.
