

2023-24 Tuition Payment Policy

Tuition and fees are due and payable on the FIRST DAY OF THE MONTH PRIOR TO CARE. Payments should be placed inside the locked tuition box on the wall outside of the WLT office. A reminder of tuition being due on the first of each month will be posted on our Facebook page.

Any accounts with balances due as of the 11th of the month will then receive a printed reminder statement including a \$30 late fee. Tuitions must be paid by the 10th to avoid the late fee. A late fee reminder will also be posted on our Facebook page.

Any account not paid in full by the 28th of each month will receive notice REQUIRING a payment plan be submitted to the Director. *Payment plans are subject to approval by the WLT Oversight Committee.* *If a payment plan is not submitted, the child will not be eligible to return to class until a payment plan has been agreed upon, OR full payment received.* Further, siblings will also not be eligible to begin care if there is a balance on the account.

Receipts and account statements are always available BY REQUEST. Please make such requests via email and include the time frame needed.

Additionally, the month of August and the first month of attendance for newly enrolled children are the ONLY prorated months of care. There will not be any adjustments made to any additional month's tuitions, including May (end of the school year) and June-July for summer camp.

We thank you very much for your cooperation with these policies. This will help ensure our center is running smoothly as we strive to provide the very best in care, learning experiences, and staff to care for your children.
